**PEWAUKEE LAKE WATER SKI SHOWS
ARE BACK!**

***Park and Rec gives green light to Ski Club along with
public beach***

Pewaukee, WI, August 15, 2008.....The Pewaukee Lake Water Ski Club is pleased to announce that the free weekly water ski shows will resume starting Thursday, August 21, at 6:30 p.m. Effective today the Pewaukee Park & Recreation re-opened the public beach and gave the green light to the Ski Club to enter the water. The water sample came back from Madison this morning with acceptable readings. High water and toxic blue-green algae kept the Ski Club from performing on Pewaukee Lake since early June. Practices were held on other Lake Country lakes. Bring the family to enjoy The Pirates of Pewaukee Bay! Colorful costumes, music, extraordinary ski acts and a live announcer bring the show to life. Enjoy comedy acts, barefooting, doubles, ballet line, pyramids and more! Donations graciously accepted during intermission. Lawn chairs, blankets, sun

glasses and visors are recommended as spectators look into the sun at Lakefront Park.

The Pewaukee Lake Water Ski Club is a 501 (c) (3) organization which performs free weekly water ski shows every Thursday from Memorial Day through Labor Day in downtown Pewaukee at Lakefront Park.

For further information please call 414-332-8713 or visit www.pewaukee.waterski.org for show dates and times.
